

Retail Operated Provider / Trail Coach Rob Rickert

Who: Anyone over 6 years of age and who is interested in learning to ride Off-Highway Motorcycles, or improve their riding fundamentals. This course is a great beginning for students who plan to eventually move to street riding or racing.

What: 6 hour course (depending on the class skill level, weather and other factors).

When: Classes are held weekends (midweek on demand). Call 916-690-2576 or email dirtbikecoach@msn.com to check available class schedules.

Where: All classes are held at a Environmental Training Center, within Prairie City OHV Park, 13300 White Rock Rd, Rancho Cordova.

Why: It's fun, exciting, great exercise, self-confidence builder, a great family activity, meet new people, develop new skills, stress reliever...

Details: Dirt Bike School is a hands-on rider training that emphasizes safety and skill development. During the 6 hour lessons students learn techniques for safely riding off-highway motorcycles. Students will learn the proper standing posture, the controls operation and location, straight-line riding, turning, shifting, braking, as well as riding over obstacles and riding hills. Students are encouraged to use their bikes and gear but are welcome to borrow necessary safety gear (helmet, goggles, boots, pads) and choose from a variety of dirt bikes that Dirt Bike School have to offer for the day. The pre-registered cost is \$175 for students 6 to 15 years old, and \$195 for 16 years and older. On site, \$195 per student.
